

Hello Parents,

I hope you are ready for CentriKid 2019! We are going to Gardner-Webb University in Boiling Springs, NC. The dates of camp are Sunday, June 30-Thursday, July 4.

The cost of camp this year is \$303 per student. (If we are able to offset the cost of camp through donations, I will let you know that before the final payment is due.) **A non-refundable \$50 is due March 3. A \$100 payment is due April 7. The final balance and all forms will be due May 19.** In addition to the cost of camp, I suggest purchasing a "Camper Care Package" that will include a shirt, back pack, water bottle, and other items the kids will find useful at camp. The price for the care package is \$30. Care packages have to be preordered this year. It is also a good idea to send some spending money for the kids to buy snacks or shop at the camp store.

I want to encourage you to prayerfully consider sending your student to CentriKid. I believe offering kids opportunities for faith and life to intersect makes lasting impacts as they try to understand their journey of faith in God through Jesus.

Please look over the enclosed documents that describe what camp is like, what kids need to bring, the camp schedule, and registration and release forms. Track time selections can be made by numbering the top six choices on the "Track Descriptions" page. Please feel free to contact me with any questions or for more information.

Because HE Came,

Bryan E. Pittman  
Family Life Minister  
Lee Road Baptist Church
